Re: Updated Ethics Disclosure Form

This staff report explains the changes made by the Utah Legislature to ethics disclosures required by elected municipal officials in 2024. House Bill 80 ([HB80](#)) amended existing statutes and enacted new requirements for local, county, and state elected officials. The summary of the bill is as follows:

- Requires an elected officer of a political subdivision and a member of a state land use authority to annually file a conflict of interest disclosure statement;
- Requires the clerk of the political subdivision or state land use authority to:
 - post an electronic copy of the conflict of interest disclosure statement on the political subdivision's or state land use authority's website; and
 - provide the lieutenant governor's office with a link to the electronic posting described above;
- Requires the lieutenant governor to post the link described above on the state conflict of interest disclosure website;
- Standardizes the monetary amount that triggers an elected officer's disclosure obligation as \$5,000.00;
- Establishes penalties for an elected officer or a member of a state land use authority who fails to file the required conflict of interest disclosure statement;

One of the more significant additions to HB80 is enacting [UCA 10-3-1313 Annual conflict of interest disclosure](#). This section lists the required disclosures, timing of the disclosures, and penalties for failing to comply.

The required disclosures are incorporated by reference in 10-3-1313 but are listed in [UCA 20A-11-1604\(6\)](#). In summary they are:

- Officeholders name, spouse's name (if applicable), and name of adults living in officeholders residence who is not related by marriage or blood;
- Current employment and previous calendar year employment for those named above;
- Disclosure of ownership or officer position in businesses;
- Disclosure of income of \$5,000.00 or greater from any person or business;
- Disclosure of stocks/bonds ownership having a fair market value of \$5,000 or more as of the date of the disclosure form or during the preceding year;

- Disclosure of positions held in a paid leadership capacity or in a paid or unpaid position on a board of directors
- Optional disclosure of real property interests or other financial interest that the regulated officeholder believes may constitute a conflict of interest.

The disclosure requirements are similar to what was previously required when filing as a candidate for public office. The amendments require the disclosures annually. We have prepared a form to comply with the disclosure requirements and the form is included with this staff report.

The disclosures must also be filed between January 1-31 of “each year during which the elected officer holds the office of mayor, commissioner, or council member.” [UCA 10-3-1313\(1\)](#).

If the elected officer fails to complete and sign the disclosure statement as required, the clerk or recorder must notify the elected officer within 5 days and the elected officer must submit the statement within 7 days after receiving notice from the clerk or recorder. Failure to comply with the disclosure requirements constitutes a class B misdemeanor (with a \$100 fine) and must be reported to the Utah Attorney General’s Office.

Based on the above, we strongly recommend that each elected officer complete the disclosure form no later than January 31, 2026. If you have any questions about these disclosure requirements, please contact Polly or Cameron.
