International Plastic Bag-Free Day

On July 3rd, Wasatch Front Waste & Recycling District will join other organizations around the world in support of International Plastic Bag-Free Day (<http://www.plasticbagfreeday.org/>).

It's easy to take part. Bring your own reusable bags when you shop. While you're at it, gather up old plastic bags at home and recycle them at a local drop-off. Lastly, keeping a reusable bag in your car or purse makes it simple to skip plastic anytime — and some stores even reward you for it!

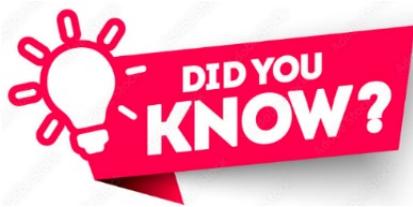

Recycling Transparency Reporting – HB107 Compliance

As part of our ongoing commitment to recycling transparency and in compliance with Utah House Bill 107, we are providing this data for your reporting <https://wfwrdutah.gov/about/district-statistics>.

This information reflects the volume of recycling materials we hauled and delivered to a designated materials recovery facility (MRF) for proper sorting and processing.

Our goal is to ensure that your community remains informed and engaged in supporting effective recycling efforts.
